of the R300 processor of MSX Turbo-R
Works on Panasonic A1-ST and A1-GT*

TREASURE OF BABYLON

**A game
of thinking
and strategy.**

**Pass the 25 trapped rooms
and find
the treasure of Babylon.**

**25 levels !
5 graphics environments !
multiple traps !
only one treasure !**

**Will you be clever enough
to beat all 25 levels
and enter your name
in the Hall of Fame ?**
